

Privacy Statement

At innovate Health Group, all of the Practitioners, Nursing team and Administrative staff that work from any of our practices understand the requirement to protect the privacy of information as detailed below.

All patient and staff records including clinical data, accounts, verbal discussions, written and electronic documents including those emanating from computers or facsimile machines, heard, written, received or otherwise produced by others or myself, are deemed strictly private and confidential and are not to be discussed or in any way released to anyone except under instruction by the Practice Principal or designate, and according to privacy law*.

This privacy statement is binding even if I am no longer employed by this practice.

I understand and am aware of the confidentiality requirements and recognise that significant breaches of confidentiality may provide grounds for dismissal.
